Examiner's Amendment

**DETAILED ACTION** 

1. An Examiner's Amendment to the record appears below. Should the changes and/or

additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R.

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the

payment of the Issue Fee.

2. In claim 16, line 12, delete ";" ... after the upper and lower chambers ... --.

Claims 1-17 are pending in the present application at this time for examination.

Examiner's Statement of Reasons for Allowance

3. Claims 1-17 are allowed.

4. The following is an examiner's statement of reasons for allowance:

None of the prior art teaches a method of forming a nanotube memory cell on a

semiconductor substrate, the method comprising the step of depositing a conductive material on

the dielectric layer such that the conductive material makes contact with the second contact and

closes the aperture created by the contact hole in combination with the other steps found in the

independent method claim 1.

None of the prior art teaches a method of forming a nanotube memory cell on a

semiconductor substrate, the method comprising the step of depositing and patterning a nitride

layer over the upper and lower chambers to form an acess opening to the nanotube layer and a

second access opening to the second contact in combination with the other steps found in the

independent method claim 16.
